The Eaton Share

Highlights from the Summer Term 2019

The School Production this year was 'Alice: Through the Looking Glass'.

Years 5 and Year 6 worked tremendously hard to put together this year's School Production. There was a phenomenal amount of musical talent in the Year 6 cohort which was shown to the fore in the studios of RADA.

The production is always such a memorable way for the Year 6 pupils to end their time with us at Eaton Square Prep. and, as usual, it was a masterpiece.

Nursery Graduation

At the end of the Summer Term, the children from all three Nursery Schools came together in St. Gabriel's Church to graduate!

They performed several songs, with one of the favourites being the 'Farewell Ramba'. All enjoyed watching the Year 6 Chamber Choir too! We wish the children all of the best for the future.

Prize Giving 2019

We ended the year at the annual Prize Giving.

Every year on our last day before the summer holidays, we join together at St. Michael's Church to reflect on the academic year that has just passed. Prizes are awarded across the year groups by subject, with pupils being rewarded for their effort, attainment and approach in all areas.

The morning ended as tradition would have it with the big finale; the announcement of which house had won the annual housepoint cup, well done to Belgrave for topping the table!

Year 6 Trip to Italy

The summer term is the perfect time to travel!

The summer term tends to be more relaxed as the exams are out of the way and the sun begins to shine! At Eaton Square, the Year 6's went on their annual trip to Italy, where they started off by seeing the amazing sights in Rome. They then worked their way down to Naples. Wonderful memories and friendships resulted.

Year 4 had a great time on their sailing trip where they learnt how to cook on a fire, how to sail and how to canoe. They also spent an afternoon at Hampton Court Palace, fascinated at the thought that King Henry VIII himself once roamed the corridors!

Year 4 Sailing Trip

Trips

We love to get out and about in London and beyond!

The younger years also went on fantastic trips!

From Reception to Year 6, all year groups have experienced day trips inside and outside of London. The Nursery children had a great time at Bockett's Farm in Surrey, Reception spent an amazing day at the Cutty Sark, Year 1 had a fantastic day visiting London Zoo and Years 2 and 3 spent several days at Gaveston Hall! Eaton Square wholly believe day trips and residentials encourage the children to be independent, and taking them out of their comfort zone allows their curiosity to fly!

Sports Day

All children enjoyed their Sports Days!

It was a gloriously sunny day for the Nursery and Pre-Prep Sports day, but sadly the Prep School Sports Day was eventually rained off, in typical British fashion, although the pupils and staff did their best to complete all events!

All three Nursery Schools took part in their first ever sports day; taking part in sack races, running races, egg and spoon races and obstacle courses. Completing the day with the inter-nursery race. Well done to Pimlico for winning the Cup this year! Parents got involved in the day by competing in the parent race and it was clear some had been in training to do so!

The Pre-Prep were up next, this being their first opportunity to race in their Houses. Well done to Chester for being victorious.

Charity

Superhero Race, Dressing up as Popstars!

Helping others and having fun.

We have continued to fundraise for our partnered charity; Chiltern Music Therapy. The whole School ran with the music theme and dressed as their favourite pop stars.

On another day the Nursery and Pre-Prep children dressed as superheroes and took part in a sponsored superhero race. We are very proud to announce we have raised over £35,000 this year.

The School also took part in a whole day dance-a-thon for the NSPCC where they were awarded a golden buddy.

Art is an essential part of the broad, balanced curriculum we pride ourselves on at Eaton Square.

All of the art created this year was shown in a grand exhibition that was very well supported by the children, staff and parents. The exhibition included works inspired by the theme "Under the sea", as well as displaying works from the Art Scholarship group. The recent Vikings made out of clay by Year 4 were also very interesting. We have loved using different techniques and textures this Term.

Sport

We are passionate about sport and ensure it is a part of every pupil's day.

The summer term sports programme is varied and fun, and also includes the staples of athletics and cricket!

This year the girls have really embraced cricket and it was wonderful to see the Girls' Cricket teams being formed. They have played against other London prep schools for the first time this year.

At Eaton Square, we also pride ourselves on our swimming and our incredible squad competed at the ESSA Swimming Competition returning with the Overall Best School award! We also returned with a plethora of gold medals from the IAPS National Swimming Finals, together with winning the London Schools Swimming Competition again. It has been a very successful term for our swimming squad!

Once again the fencers continue to be successful. And we congratulate one of our Year 6 pupils who won the England Youth Championship 2019 in U11 Girls' Epee!

Outdoor Play

We like to Have Fun in the Sun!

No matter what time of the year, we spend a lot of time outdoors.

Despite our central London location, we always make going outside to play part of the curriculum to stretch our legs and get some fresh air!

We have enjoyed team building activities and walking to our local parks.
