Admissions procedure: Eaton Square Senior School

Most candidates will apply to join our school at the start of Year 7, however, we welcome applications for other year groups and interviews/assessments will be arranged in accordance with available spaces. All students at our Prep School, must apply, book in for an assessment and a zoom Interview, and have a favourable report from their Head to confirm entry.

It is never too early to apply for entry. Simply complete an online application form and pay the £150 application fee. This will ensure that you are kept up to date with the latest developments at Eaton Square Senior School, including any changes to our admissions procedures.

The admissions process itself, and the subsequent decision regarding the offer of a place, will occur during the academic year preceding proposed entry. For the majority of students, this will be Year 6. The assessment process will be held the week commencing 10 January 2022 .

Whilst at our School, your son/daughter will be interviewed individually by one of our Senior Management Team. As part of the admission process for Eaton Square Senior School we ask for ISEB or CAT4 scores. If the student's current school can provide these there is no need for an additional assessment. If not we will ask the student to sit the assessment when they attend their interview.

The outcome of the assessment and interview day will be communicated within 10 working days of the date which the candidate attended their assessment on. Acceptances of offers must be received by the deadline specified in the offer letter (early March), together with a term's fees to secure a place. If your son/daughter is at Eaton Square Prep School, your current deposit can be transferred, and you only need to top up to reach a term's fees.

If you are an international family and only in London for a short period of time, we can arrange for an interview and assessment at another time, or via Zoom. Please contact the Admissions (admissions.senior@eatonsquareschools.com) for further information.

Students who accept an offer to join Eaton Square Senior School will be invited to attend a Welcome Tea in June.

Parents will always meet the Head of the School or the Principal prior to the assessment date or during the time of the assessment.

A Waiting List will be operated where the applicants meet the criteria for entry but the respective class is full. The Waiting List will be formed in order of Application date.

When coming to the school for tours, parents of prospective students will be asked if they or any member of the visiting party has specific access arrangements in order that we can be as accommodating as possible.
