Admissions Information Booklet

How to apply to our School.

Join our School Community

Choosing a senior school is such an important decision for a child and for you as a parent. At Eaton Square Senior School, we hope to make this choice as easy as possible. This booklet outlines the simple steps towards securing a place at our School. We strongly recommend visiting us to get a feel for school life and to meet our pupils and teaching staff. A warm welcome always awaits you.

Our main entry point is into Year 7, and the application process commences in the year before your child starts with us. Occasional places depend upon spaces in the relevant year group; please contact the Admissions Team for more information.

Applying for senior schools is exciting, but we fully understand it can be stressful for the whole family. Our main admissions process takes place in January each year, however we are happy to accommodate assessments at other times as required by families.

We are also pleased to offer a range of scholarships at the School too. Scholarship areas include: Academic, Creative Arts, Sport and All-Rounder. Our Scholarship Programme encourages and rewards Scholars for their attitudes to learning and for their proactive approach to life here as a whole. Please ask about these when you apply to the School.

We hope that you find this information useful when applying to Eaton Square Senior School. If you have any questions about any aspect of the process, please just email the team at admissions.senior@eatonsquareschools.com or call on 0207 491 7393.
