THE EYE MEETS THE EAR

Millfield Prep School debuted 'The Eye Meets the Ear' concert, a collaborative art and music event, encouraging pupils and parents to create art while listening to live music. The concert, which saw the return of parents to Millfield Prep's Glastonbury campus, stimulated the senses, encouraging listeners to create something immediate that conveyed what they could hear in the music.

DIVERSITY AND INCLUSION

Eaton Square Prep School has developed their Eaton Cares series of inspirational talks exploring the concept of 'Inclusion for All'. It also hosted International Week, an annual event championing the importance of international diversity. Workshops, pupil-led presentations, cultural dress and more abound throughout the week. These efforts to improve its diversity awareness led to it being shortlisted as a finalist for the 'ISA Award for Excellence and Innovation in Equality, Diversity and Inclusion' in the Independent Schools Association Awards.
