## Join our Community

Choosing a Sixth Form is an important decision. At Eaton Square, we hope to make the process as straightforward as possible. This booklet outlines each step of the process.

We are pleased to offer a limited number of scholarships at Eaton Square each year. Our Scholarship Programme encourages and rewards Scholars for their attitudes to learning and proactive approach to school life. We also provide financial assistance to families through our Bursary Programme. Further information regarding Scholarships and Bursaries can be found [here](#).

We recommend visiting us to see the school, and to meet our students and teaching staff; a warm welcome always awaits you. If you have any questions, please email the team at [admissions.senior@eatonsquareschools.com](mailto:admissions.senior@eatonsquareschools.com) or call on 0207 491 7393.

## 1 STEP 1: ARRANGING A PERSONALISED TOUR OR MEETING WITH OUR HEAD OF SIXTH FORM

Prospective students and parents are always encouraged to visit Sixth Form to meet our teaching staff. A personalised tour is a great way to find out exactly how we can support students to achieve their goals.

Further information about our Sixth Form can be found at [www.eatonsquareschools.com/senior-sixth/](http://www.eatonsquareschools.com/senior-sixth/).

Please contact our Admissions Team to arrange a personalised tour.

---

## 2 STEP 2: COMPLETE AN APPLICATION FORM

The first step to joining Eaton Square Sixth Form is completing an Application Form via our website.

At this stage you must also indicate which curriculum route you are interested in: A levels, T levels and/or any extra qualification e.g. MICS, EPQ.

See our Curriculum Booklet for more information on courses we offer. All students will take part in weekly Preparation for Life sessions and have dedicated Personal Enrichment time.

Early application is encouraged. Places will be offered on a rolling basis.

---

## 3 STEP 3: CURRICULUM DISCUSSION

We will be in touch to arrange a meeting with the Head of Sixth Form to discuss your application and subject interests.

---

*We are a small, mainstream school, and advise that to thrive in our Sixth Form, students should have achieved six GCSEs at grade 4 or higher, with ideally grade 6 or higher in the subjects they wish to study through to A-level.*

## 4 STEP 4: OFFER OF PLACE

We will consider your application and choices and make a decision to offer a place within 10 working days of meeting with you.

---

## 5 STEP 5: ACCEPTANCE DEADLINE

You must formally accept the place and pay your deposit to secure your place.

---

## 6 STEP 6: SIXTH FORM STARTS

Autumn Term starts: September 2023.
