## True Learning at Eaton Square Prep School

Learning is central to school life. However, academic learning is just one part of this. Eaton Square Prep School champions the very best of true learning: academic learning, learning about ourselves and learning to understand, respect and thrive in our ever-changing world.

### ACADEMIC LEARNING

Eaton Square's outstanding 11+ results, achieved with no pressurised 'hot-house' environment, speak for themselves. To further boost the school's academic prowess, in September 2022, Dr Maria Hafalla will join Eaton Square as the new Deputy Head (Academic). Dr Hafalla's extraordinary career, spanning everything from the USA National Science Foundation to the European Commission's Marie Curie Fellowship scheme, will be of immense benefit to the school's young learners, particularly regarding STEAM skills.

### LEARNING ABOUT YOURSELF

Emotional wellbeing, a knowledge of one's own individual strengths and weaknesses and an ability to communicate confidently are all vital lifelong skills. Eaton Square fosters these thanks to its own, in-house wellbeing programme ('The Listening

Space'); extensive range of clubs (including Judo, Cooking, Debating, Gardening, Ballet, Mandarin and Elite Chess) and its impressive status as an accredited TedX Centre, enabling pupils to perform their very own TedxTalks to a global platform.

### LEARNING ABOUT THE WORLD

Eaton Square pupils learn to respect the world around them; and how to thrive in it. An official 'Eco School' with top Green Flag status, pupils enthusiastically embrace activities such as recycling competitions, growing plants, building bug hotels and fundraising for environmental causes. Digital skills are instilled through use of fun 'Bee-Bots' (floor robots), Surface Go devices and timetabled Computing lessons. A sense of global community is obvious. The School was even named in the Top 3 ISA Schools for its commitment to Equality, Diversity and Inclusion.

### YOU'RE INVITED
