# Fees Overview

## September 2022 – August 2023

### Fee Schedule

All School fees outlined in this document are per term. There are three Terms in an academic year. These begin in September, January and April. The School fees are payable before the start of each Term.

### Deposit

A full deposit of **£3,000** is required upon acceptance of a place and will be refunded to you once your last Term's fees have been paid, as long as all Terms and Conditions, as specified in our offer of a place, have been met.

It is important to remember that a Term's notice must be given in advance before leaving the School. If this does not happen, a Term's fees must be paid in lieu.

**Please note:** If a place is not taken up, the deposit will be forfeited.

### Registration Fee

To register your child, we require payment of a £100 registration fee. This is non-refundable.
