How to apply

Join our School Community

Choosing a senior school is an important decision for the whole family. At Eaton Square, we hope to make the process as straight forward as possible. This booklet outlines each step of our application process.

Our main entry point is into Year 7 and the application process commences the year before desired year of entry. Occasional places depend upon spaces in the relevant year group.

We are pleased to offer a limited number of scholarships at Eaton Square each year. Our Scholarship Programme encourages and rewards students for their attitudes to learning and proactive approach to school life. Further information regarding Scholarships can be found on our website, please visit www.eatonsquareschools.com/senior-sixth/.

We recommend visiting us to see the school, and to meet our students and teaching staff; a warm welcome always awaits you. If you have any questions, please email the team at admissions.senior@eatonsquareschools.com or call on 0207 491 7393.
