Policy Statement

Promoting equal opportunities is fundamental to the aims and ethos of Eaton Square Prep School.

The School recognises the benefits of having a diverse School Community, with individuals who value one another, and the different contributions everyone can make. Pupils will be taught to value and respect others. The School is committed to being an equal opportunities school and is committed to equal treatment for all pupils, in line with protected characteristics applicable to pupils under the Equality Act 2010

Aims

The aims of this policy and the School's ethos as a whole is to:

- Communicate the School's commitment to the promotion of equal opportunities for its pupils
- Eliminate unlawful discrimination on grounds of any of the protected characteristics
- Promote equal treatment for all members of the School community
- Create and maintain an open and supportive environment, free from discrimination
- Foster mutual tolerance and positive attitudes so that everyone can feel valued within the School
- Comply with the School's equality duties contained in the Equality Act 2010
- Remove or help to overcome barriers for pupils where they already exist
- Enforce that all discrimination on the grounds of a protected characteristic is unacceptable and will not be tolerated

All members of the School community are expected to comply with this policy and treat others with dignity at all times.

All parents are expected to support the aims of this policy and the School's ethos of tolerance and respect.

Staff at the School, particularly those working at a management level, have a specific responsibility to set an appropriate standard of behaviour, to lead by example and to promote the aims and objectives of the School with regard to equal opportunities.

Regulatory Framework

This policy has been prepared to meet the School's obligations under the:

- Equality Act 2010
- Early Years Foundation Stage (EYFS) Statutory Framework (July 2026)
- Children and Families Act 2014

- Equality Act 2010 explanatory notes
- Equality and Human Rights Commission Technical Guidance for Schools in England (2014)
- Working Together to Safeguard Children (March 2026)
- Keeping Children Safe in Education (September 2026)

This policy should be read in conjunction with the following:

- Admissions policy
- Promoting Good Behaviour policy and Anti-bullying policy
- Exclusion policy
- Accessibility Plan
- Anti-harassment policy
- Special Educational Needs (SEN) and Disabilities policy
- Equal opportunities for staff policy

Admissions

The School treats every application for admission in a fair, open-minded and equal way in accordance with this policy and the School's Admissions Policy. The School accepts applications from, and admits, all prospective pupils irrespective of their gender, disability, gender reassignment, race, religion or belief (or lack of religion or belief), sex, sexual orientation, or special educational needs ("SEN").

Please see the Equal Opportunities for Staff Policy in relation to our approach to staff recruitment and selection.

Parents must inform the School when submitting the Registration Form of any special circumstances relating to their child which may affect their child's performance in the admissions process and/or ability to fully participate in the education provided by the School so that we can consider what reasonable adjustments may be necessary to ensure that the child is not placed at a substantial disadvantage compared to other children. The School will consider whether it cannot adequately cater for or meet the child's needs. The School will not offer a place to a child if, after reasonable adjustments have been considered, the School feels it cannot meet their needs, that the prospective pupil is not going to be able to meaningfully access the education offered, or that their health and safety, or those of other pupils or staff, may be put at risk.

Educational Services

The School affords all pupils access to educational provision including all benefits, services, and facilities, irrespective of any protected characteristic (subject to our reasonable adjustments duty and considerations of safety and welfare). The School will not discriminate against a pupil on the grounds of any protected characteristic by excluding them or subjecting them to any other detriment.

The School will:

- Treat all members of the School community with respect and dignity and seek to provide a positive

- working and learning environment free from discrimination
- Endeavour to meet the needs of all children and ensure that there is no unlawful discrimination on the grounds of any protected characteristics
 - Ensure that pupils with English as an additional language and pupils with an Education Health Care Plan receive necessary educational and welfare support
 - Monitor the admission and progress of pupils from different backgrounds
 - Challenge inappropriate and unacceptable discriminatory behaviour by pupils and staff
 - Encourage children to work and play freely and have respect for all other pupils irrespective of any protected characteristic
 - Offer all pupils access to all areas of the curriculum and a full range of extra-curricular activities
 - Work with parents and external agencies where appropriate to combat and prevent discrimination in School
 - Ensure that it reviews, monitors, and evaluates the effectiveness of inclusive policies and practices
 - Use the curriculum, assemblies and PSHE to:
 - Promote tolerance of and respect for each other, paying particular regard to the protected characteristics set out in the Equality Act 2010.
 - Promote positive images and role models to avoid prejudice and raise awareness of related issues.
 - Encourage children to question and challenge assumptions and stereotypes in order to better understand discriminatory behaviours and bias.
 - The School recognises that discrimination may be direct, indirect, or arising from disability whether or not it was intentional. Harassment and bullying in all its forms (including cyberbullying) are unacceptable and will be dealt with in accordance with the School's Behaviour and Anti-Bullying policies.

Religious Belief

Although the School's religious ethos is based on Christian values and tradition, the School is inclusive and welcomes and respects the rights and freedoms of individuals from other religions and beliefs (or with no religion or belief) subject to considerations of safety and welfare and the rights and freedoms of other members of the School community.

The Governing Body, through the Senior Leadership Team, actively promotes the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Uniform Variation

All pupils are required to wear a uniform. The Head will consider requests from parents and pupils for variations to the uniform for reasons related to disability, gender reassignment and/or on religious grounds provided they are consistent with the School's policy on health and safety and that such request/s are reasonable in all the circumstances including in light of the School's obligations under the Equality Act 2010.

Where there is uncertainty as to whether an item may be worn to School, parents are encouraged to discuss the matter with the Head, in advance.

Reasonable Adjustments for Pupils with Disability

The School has an ongoing duty to make reasonable adjustments for pupils with a disability to ensure they do not suffer a substantial disadvantage in comparison with other pupils, including during the admissions process.

Where the School is required to consider its reasonable adjustments duty, it will consult with parents about what reasonable adjustments, if any, the School is able to make to avoid their child being put at a substantial disadvantage in comparison to other pupils. The School will carefully consider any proposals for auxiliary aids and services in light of a pupil's disability and the resources available to the School.

The School has an Accessibility Plan in place which can be found on the School website and a hard copy can be made available upon request. This sets out the School's plan to increase the extent to which disabled pupils can participate in the School's curriculum; improve the physical environment of the School for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School; and improve the delivery of information to disabled pupils which is readily accessible to pupils who are not disabled.

Monitoring & Review

The Head regularly monitors and reviews the effectiveness of this policy and reports to the governors annually on the policy's effectiveness in practice.

Breaches of this Policy

Pupils who are in breach of this policy may be sanctioned in accordance with the School's Behaviour Policy.

If you believe that a child has received less favourable treatment as a result of a protected characteristic, or if you feel that this policy has been breached in any way to a child's detriment you are encouraged to raise the matter through the School's complaints procedure.
